**Getting Started is Easy, follow these six easy steps to a successful Fundraiser!**

1. Receive your fundraising kit via download and submit your decal preferences
  - Go to [thedecalworld.com](http://thedecalworld.com) website and download our fundraising kit or you can call us to have our fundraising kit emailed to you at 941-721-4653
  - Choose your favorite 3 Rhinestone Car Window Decals from our entire website that best fits your fundraising needs. (\$40 Set up and Design fee for Custom Rhinestone Car Decal Designs)
  - Email your 3 Rhinestone Car Window Decal item SKU selections to: [fundraising@thedecalworld.com](mailto:fundraising@thedecalworld.com) (Ex. RD-1)
  - Once we receive your email, we will email you your custom order form within one business day.
2. Identify Your Fundraisers
  - Because there is no risk or financial investment involved, you can involve as many people to help you fundraise, as you would like. The more people you get involved in the fundraising process the more profitable you are.
3. Take Orders
  - Now that you have established your team, you are ready to begin taking orders. You can make as many copies of the order forms and sample decal information sheet as needed. To maintain the quality of the sample decal information sheet, download copies from our website. Each fundraising participant can have an order form and sample decal information sheet. Again, the more people involved, the more profitable you are. To help with getting your orders in to us, and getting your full fundraising percentage toward your organization, you should set a deadline for all orders.
4. Submit Orders
  - Electronic Order Form – Once you have collected ALL orders forms, transfer your orders from the paper form to our electronic form (Excel). This will ensure accuracy and allow you to calculate totals as you are entering your information. Once the electronic form is completed, you can submit it via email. (Highly Recommended)
  - Fax Order Form – You can fax either the handwritten paper form or you can fax the printed electronic version.(Recommended If Faxing)
5. Paying for Orders
  - To receive your full percentage return, all orders must be paid in full. We accept all major credits cards and checks (will add additional 10 days processing for Checks).
6. Receiving your Orders
  - Once we have processed and confirmed your order, you can expect a turnaround time of 5 -7 business days.
